Allowable Subject Matter

2. Claims 1 - 64 are allowed.

3. The following is an examiner's statement of reasons for allowance:

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Regarding claim 1, the prior arts do not explicitly disclose the limitation:

receiving a retransmission of said missing or mangled data from said other receiving device to compete the data packet and a data transmission session.

Regarding claim 21, the prior arts do not explicitly disclose the limitation:

program code for receiving a retransmission of said missing or mangled data from said other receiving device to compete the data packet and a data transmission session.

Regarding claim 40, the prior arts do not explicitly disclose the limitation:

said receiving device receiving a retransmission of said missing or mangled data from said other receiving device in the same or different networks to compete the data packet and a data transmission session.

Regarding claim 58, the prior arts do not explicitly disclose the limitation:

said apparatus receiving a retransmission of said missing or mangled data from said other receiving device in the same or different networks to compete the data packet and a data transmission session.
